REMARKS

Claims 1-25 were pending in the application. In response to the office action, applicants have canceled claims 11-13. Claims 1-10 and 14-25 remain pending for reconsideration.

Applicants wish to thank the Examiner for allowing claims 1-10 and 14-25. For business reasons not related to patentability, namely to expedite the issuance of a patent on the allowed claims, applicants have canceled claims 11-13 to place the application in condition for allowance. Applicants disagree with and do not acquiesce to the rejection of claims 11-13. Applicants reserve the right to file a continuation application on the canceled claims.

In view of the foregoing, the application is in condition for allowance. Early notification of the same is earnestly solicited. If there are any questions regarding the present application, the Examiner is invited to contact the undersigned attorney at the telephone number listed below.

Respectfully submitted,
